

HOW TO ACCESS YOUR SUITE

PREMIER CLUB SUITES

The recommended entrance to access your Premier Club Suite is the Home Plate Gate located at the intersection of Park Blvd and Trevor Hoffman Way. Take the stairs, elevator, or escalator to the main concourse (Level 3) towards Homeplate to access your Premier Club Suite. Odd numbered suites are located on the first base side and even numbered suites are located on the third base side. The lower numbered suites will be closest to home plate.

TERRACE SUITES

The recommended entrance to access your Terrace Suite (Terrace Infield, Reserved or Pavilion) is the Home Plate Gate located at the intersection of Park Blvd and Trevor Hoffman Way. Take the elevator or escalators up to the Terrace Level (Level 5). Odd numbered suites are located on the first base side and even numbered suites are located on the third base side.

WESTERN METAL SUITES

The recommended entrance to access your Western Metal Suite is the Gaslamp Gate located on the intersection of K Street and Tony Gwynn Drive. Western Metal Suites are on 2 floors of the iconic Western Metal Supply Co Building (Levels 3 & 4) located on the third base side near the outfield.

All Western Metal Suites that begin with a 3 can be accessed through the main concourse (Level 3). For Western Metal Suites that begin with a "4", head to the Western Metal Supply Building located on the third base line and go to the elevator. The elevator attendant will drop you off on the Western Metal Suites Floor (level 4) where you will find your suite.
